QTIBPoC PROGRAM

Switchboard is committed to ensuring that our work and service addresses the intersections between different forms of inequality, discrimination and disadvantage, including colonisation, racism and immigration status, and the role that these play in the oppression and discrimination of LGBTIQ+ peoples.

The QTIBPoC program runs skills-sharing workshops to promote resilience, positive mental health and wellbeing within QTIBPoC communities, as well as professional development, trainings and consultations on anti-racism and racial literacy for broader communities.

Our QTIBPoC program is guided by our QTIBPoC Advisory Committee and aims to build greater equity for Queer, Trans, Intersex and Bla(c)k and/or People of Colour and People of Faith.
